

January 29, 1976

SENATOR SIMPSON: It has to be laid over if you wish to take up that motion, yes.

SENATOR CAVANAUGH: That motion has been up there for weeks.

SENATOR SIMPSON: Once the motion is taken up, then it must be laid over.

SENATOR CAVANAUGH: If the bill still says what it said when I put my motion up there, I would like to take it up.

SENATOR SIMPSON: The bill has not been changed this much.

SENATOR CAVANAUGH: Okay, I want it.

SENATOR SIMPSON: All right. Then the motion is on the bill and the bill is laid over until tomorrow. Next bill, LB 413. Mr. Clerk.

CLERK: Mr. President, on LB 413, there are no E & R amendments.

SENATOR SIMPSON: Are there other amendments on the bill?

CLERK: There are other amendments, Mr. President. Senator DeCamp has amendments printed on page 255 of the Legislative Journal.

SENATOR SIMPSON: Senator DeCamp.

SENATOR DeCAMP: These are the amendments I thought we were talking about earlier that we discussed the other day. They are technical corrections, cost go to the loser, et cetera, and the bill was held over so that Senator Anderson could work on something else. I move the adoption of the amendments.

SENATOR SIMPSON: All right. Senator Anderson, on the amendments.

SENATOR ANDERSON: I would just like to indicate for the benefit of the body that I have no objection to the amendments that are there. I think they are acceptable.

SENATOR SIMPSON: Any further discussion? If not, the motion is to adopt the amendment. All in favor vote aye. Opposed vote nay. Voting aye.

CLERK: Senator Simpson voting aye.

SENATOR SIMPSON: Have you all voted? The Clerk shall record.

CLERK: 29 ayes, 20 nays, Mr. President, on motion to adopt....20 not voting.

SENATOR SIMPSON: Amendments adopted. Further amendments on the desk?
